- *All children enrolled in our summer program that attend off site field trips will receive one complimentary Oak Brook School shirt. Oak Brook School shirts must be worn on all activities outside of Oak Brook School. Your child must attend the field trips if they are going to be at Oak Brook School – we will not have additional staff to stay behind with children.*
- *Tuition must be current for your child to participate in field trips.*
- *Sunscreen will be provided for all outside times and swim times at no additional charge during our summer program.*
- *Outside play policy: Oak Brook School will continue to have scheduled morning and afternoon outside time, weather permitting. We will play outside until the heat index reaches 99 degrees. We will also curtail our outside activities when the ozone reaches the red level. Physical play is an important part of physical and educational development.*
