Together Time Activities

Here are some fun activities you and your child can enjoy together!

• Watch Cars

Sit with your child in a safe spot and watch the traffic go by. See who can be the first to spy a red car! Later, play again and watch for orange.

• Johnny Appleseed

John Chapman, known as Johnny Appleseed, was born on September 26. According to legend, he wore a pot on his head as he roamed the countryside planting apple seeds. If you have a lightweight pot, your child may enjoy wearing it and pretending to be Johnny Appleseed.

• Pumpkin Patch

Visit a pumpkin patch or produce stand to explore all the pumpkins! Let your child explore by feeling the textures and wrapping his arms around them. If possible, purchase one to bring home. Let your child help decorate it to display somewhere at home.

Nursery Rhymes

Nursery rhymes teach children auditory skills and help them develop an appreciation for rhyme and rhythm. They also help children develop language, memory, creativity, and other cognitive skills.

Two Red Apples

Way up high in an apple tree,
Two red apples smiled at me.
I shook that tree as hard as I could.
Down came the apples!
Mmm, they were good!

Little Miss Muffet

Little Miss Muffet
Sat on a tuffet,
Eating her curds and whey.
Along came a spider
Who sat down beside her,
And frightened Miss Muffet away.

Cooking Together

When cooking with infants and toddlers, allow them to help in a safe way with mixing, pouring, rolling, mashing, shaking, etc. Use words to describe what you are doing and what you plan to do next. Talk about what you see, smell, feel, hear, and taste.

Pumpkin Dip

1 can (15 oz.) plain pumpkin
1 (4-serving size) butterscotch
pudding mix
1 teaspoon pumpkin pie spice
1 (8 oz.) container frozen whipped
topping, thawed
gingersnaps or vanilla wafers

In a bowl, mix pumpkin, pudding mix, and spice. Stir in whipped topping. Refrigerate for an hour or more. Serve with gingersnaps or vanilla wafers.

As you and your child enjoy the treat, point out that the cookies are circles!
